

INTERNATIONAL CONFERENCE IN ZAGREB, CROATIA

The international conference of the Career ROCKET project was held in Zagreb on May 8, 2019. It was hosted by the Ministry of Education of Croatia. The conference was opened by the State Secretary for education in Croatia – **Branka Ramljak**, **Višnja Ljubičić** – Ombudsperson for Gender Equality, Republic of Croatia, **Suzana Hitrec** – President of the Association of Croatian Secondary School Principals and Jivka Marinova – the project manager.

After presenting the project and its achievements there was a panel discussion among the teachers and students of the partners teams. The participants in the discussion panel from Bulgaria were Mrs M. Mitreva from Rudozem and the student from 10th grade N. Shukerov from the school St Cyril and Methodi.

After the discussion the partners presented a documentary, produced by GPF, which aim at representing all the activities within the project.

The public was acquainted with the preliminary results of the external evaluation of the project and some of her recommendations.

During the conference the Croatian school – winner of the competition launched within the project was awarded a special certificate for achievements in the field of equality. This was the Highschool No 13 of Zagreb.

The final conference was closed by an interactive workshop led by the teacher Antonio Peric from 3rd Highschool in Zagreb. Together with his students he led the participants through the new didactic method called “theatre workshop” with a leading theme Gender equality in the professional working environment..
